Chapter 23

Twilight [last]

Twilight (cont)

The next
thing I knew,
I was hungry
for more.

I want
to know
everything

to
freedom.

Learning
is my
pathway—

reminds
me...

This
world,

so full of
wonders and
mysteries to
be discovered.

She never lets me out of her sight.

Working over holds her interest.

It annoys
her, though,
not smiling

I know
nothing

Girl...

About
this world
I've been
living in

as yet
undiscover-
ed

About the
miracles
surrounding
me,

If I keep
my eyes
open...

long
enough

I'm
sure...

Was you
did with
my hat
when the
wind blew
it away?

Will you
try to
grab hold
of me,

I wonder
what it
feels...

passes
through
our
clutched
hands.

that...

Let's put
our heads
together...

Don't
look at
me like
that.

I think it
might be
something
good.
